HOSPITAL MEDICINE

Index 2003 Volume 64

A

Activated protein C
resistance and pregnancy loss. *Review.* F Dawood et al .24
should it be given to a patient who has an epidural? *Anaesthetic and critical care dilemma.* D Wyncoll and M Mythen .692
should we treat severe sepsis with? *Anaesthetic and critical care dilemma.* A Mackillop .316
Acute compartment syndrome: diagnosis and immediate care. RK Choudhary et al .296
Acute disseminated encephalomyelitis-like illness following alcohol withdrawal. *Case report.* SA Trip et al .620
Acute interstitial nephritis and COX-2 inhibition. *Corres.* KM Chow et al .429
Acute lymphoblastic leukaemia, visceral leishmaniasis misdiagnosed as. *Case report.* SG Jones et al .308
Adelekan MO, Nasmyth DG and **Joglekar VM.** Acute pancreatitis presenting as a case of splenic rupture. *Case report* .432
Aggression, preventing and managing aggression and violence in the NHS. *Review.* A Bleetman and OO-O Fayeye .728
Airway emergencies, acute: halothane or sevoflurane for induction in children? *Anaesthetic and critical care dilemma.* J Smith .628
Al-Haddad M and **DM Coventry.** Regional block or general anaesthesia? *Anaesthetic and critical care dilemma* .500
Al-Khaffaf H *see* **Anwar S et al**
Al-Khaier A and **Nischal KK.** Eye in metabolic disease. *Eye in systemic disease* .609
Alcohol dependence, managing. *Corres.* JS Huntley and R Touquet; C Daly .49
correction .114
Alcohol withdrawal, acute disseminated encephalomyelitis-like illness following. *Case report.* SA Trip et al .620
Alzheimer's disease, memantine (Ebixa®) in later stages. *Drug focus.* DJ Findlay and PJ Connelly .654
Amar K. Progressive supranuclear palsy. *Neurology symposium* .585
Amran AR *see* **Leong CF et al**
Anaesthesia
for coronary artery bypass: should it differ off-pump and on-pump? *Anaesthetic and critical care dilemma.* N Zimbler and EMC Ashley .564
should activated protein C be given to a patient who has an epidural? *Anaesthetic and critical care dilemma.* D Wyncoll and M Mythen .692
spinal epidural haematoma after epidural anaesthesia: a diagnosis not to be missed. *Case report.* C Constantoyannis et al .682
Anaesthetic induction
halothane or sevoflurane for in acute airway emergencies in children? *Anaesthetic and critical care dilemma.* J Smith .628
laryngeal mask or tube for tonsillectomy? *Anaesthetic and critical care dilemma.* P Bishop and A Patel .440
regional block or general anaesthesia? *Anaesthetic and critical care dilemma.* M Al-Haddad and DM Coventry .500
which route is best for elective paediatric patients? *Anaesthetic and critical care dilemma.* A McGlennan and J Lockie .380
Anal incontinence, evidence-based practice in urogynaecology. *Review.* ARB Smith and PJ Higgs .223
Anand R, Cumberbatch, Swallow R and **Loehry J.** Difficulties in the diagnosis of acute aortic dissection. *Case report* .241
Anderson WR, Davies RJ and **Cave APD.** Examine the patient first, then look at the X-ray. *Case report* .182
Aneurysm, intracranial unruptured, atrial fibrillation and transient ischaemic attacks: therapeutic dilemma. *Case report.* AJ Larner et al .52
Angiomyofibrosarcoma: rare ischiorectal fossa swelling. *Case report.* T Satheshkumar et al .244
Antibiotic prescribing must improve. *Corres.* R Masterson .312
Antidepressants, new generation. *Clinical pharmacology symposium.* T Diab and AN Singh .12
Antifibrinolytics, should they be used in orthopaedic surgery? *Anaesthetic and critical care dilemma.* H Meeran .190
Antibiotic-loaded cement in revision joint replacement. *Review.* JR Youngman et al .613
Antipsychotic drugs
atypical and conventional depot medications. *Review.* JP Pandarakalam .658
long-acting depot. *Review.* JP Pandarakalam .603
Anwar S, Shrivastava V, Welch M and **Al-Khaffaf H.** Subfascial endoscopic perforator surgery: a review. *Review* .479
Anwar S. Use of prosthetics in hernia repair. *Review* .34
Aortic dissection, acute: difficulties in diagnosis. *Case report.* R Anand et al .241
Appendicitis
acute, small bowel perforation caused by an ingested foreign body masquerading as. *Case report.* NKK King et al .436
chronic, diagnosed incidentally by colonoscopy. *Case report.* EDJ Courtney et al .433
Archer R *see* **Lawrentschuk N et al**
Archibald LK *see* **Gill GV et al**
Artificial oxygen carriers, intravenous. *Review.* D Farrar and M Grocott .352
Arumugam PJ, Harikrishnan AB, Carr ND, Morgan AR and **Beynon J.** Study on surgical knowledge of house officers and their role in consent. *Education and training update* .108
Arya M *see* **Masood S et al**
Ascites, cirrhotic patient with fever and abdominal pain. *Case report.* VW-S Wong and HL-Y Chan .310
Ashraf S, Srivastava P and **Hershman MJ.** Stapled haemorrhoidectomy: novel picture. *Review* .526
Ashwood N and **Challanor E.** Managing vascular impairment following orthopaedic injury. *Review* .530
Ashworth MA see **Olagundoye VO et al**
Asthma, non-steroidal anti-inflammatory drugs and the child. *Anaesthetic and critical care dilemma.* AFW Man .756
Athanasiou T *see* **Kumar P et al**
Atrial fibrillation, transient ischaemic attacks and an unruptured intracranial aneurysm: therapeutic dilemma. *Case report.* AJ Larner et al .52
Autonomic disorders, use of botulinum toxin. *Botulinum toxin symposium.* AP Moore .452
Azim W and **Walker R.** Wernicke's encephalopathy: a frequently missed problem. *Editorial* .326
Aziz Q *see* **Harris ML and –**
Azmy IAF *see* **Sanders DS and –**

B

Baburajan B and **Parkes M.** Genetics of inflammatory bowel disease. *Review* .599
Baker L *see* **Lavender T** and –
Banerjee D *see* **Satheshkumar T et al**
Barlow CS and **Rudd RM.** Chemotherapy and radiotherapy of bronchial carcinoma. *Bronchial carcinoma symposium* .144
Barnes JA and **Lightman S.** Eye and skin disease. *Eye in systemic disease* .484
Beattie RM *see* **Chakraborty A et al**
Behavioural therapy (biofeedback) role of colorectal nurse specialists. *Nurse's role in colorectal surgery.* J Duncan et al .329
Benign prostatic hyperplasia. *Corres.* AP Doherty .114
Bennett, Gerry. *Obituary.* KN Davies .327
Berdoukas P and **McCluskey P.** Parasites and the eye. *Eye in systemic disease* .743
Best practice for hypertensive patients with kidney disease. *Review.* D de Zeeuw .96
Beta-blockers, use in the treatment of heart failure. *Drug focus.* A Coats .288
Beynon J *see* **Arumugam PJ et al**
Biliary sepsis, thyroid abscess secondary to: an unusual case. *Case report.* J Mathew et al .622
Bimatoprost, new drugs in glaucoma therapy. *Review.* I Cunliffe .156
Bishop NL. NHS and leadership. *Corres* .559
Bishop P and **Patel A.** Laryngeal mask or tube for tonsillectomy? *Anaesthetic and critical care dilemma* .440
Bisphosphonates, current status of Paget's disease of bone. *Review.* RW Keen .230
Black C. Thoroughly modern consultant? Modernizing consultant careers. *Editorial* .196
Blackburn T and Sadler C. Role of human patient simulators in health-care training. *Education and training update* .677
Blackwell H. Role of the specialist nurse in pelvic floor dysfunction. *Nurse's role in colorectal surgery* .340
Bladder cancer: current update. *Review.* S Masood et al .40
Blake GM and **Fogelman I.** DXA scanning and its interpretation in osteoporosis. *Osteoporosis symposium* .521
Bleetman A and **Fayeye OO-O.** Preventing and managing aggression and violence in the NHS. *Review* .728
Bodenham A *see* **Galloway S** and –
Bone
metabolic disease: current status of Paget's disease of bone. *Review.* RW Keen .230
transplantation. *Transplantation symposium.* DC Rees and FS Haddad .205
Bosanquet N *see* **Dziewulski P et al**
Botulinum toxin
current use. *Editorial.* A Swift .450
and the eye. *Botulinum toxin symposium.* IB Marsh .464
use in head and neck disorders. *Botulinum toxin symposium.* MR Hawthorne .460
use of: movement, visceral and autonomic disorders. *Botulinum toxin symposium.* AP Moore .452
Boviatsis EJ, Kouyialis AT and **Sakas DE.** Misdiagnosis of bilateral isodense chronic subdural haematomas. *Case report* .374
Brain-gut interaction in irritable bowel syndrome. *Irritable bowel syndrome symposium.* ML Harris and Q Aziz .264
Breast cancer screening controversy. *Corres.* AD Purushotham .429
Breast reconstruction, training in: new chapter in breast surgery. *Editorial.* D Rainsbury .700
Brechin S and **Owen P.** Management of premenstrual dysphoric disorder. *Review* .348
Bremner AR *see* **Chakraborty A et al**
Brenkel IJ and **Cook RE.** Thromboprophylaxis in patients undergoing total hip replacement. *Review* .281
Bronchial carcinoma
chemotherapy and radiotherapy. *Bronchial carcinoma symposium.* CS Barlow and RM Rudd .144
surgical treatment. *Bronchial carcinoma symposium.* JC Halstead et al .136
Brown J, Graham D and **Chapman T.** Factors influencing teaching and learning in the preregistration year. *Education and training update* .740

Compiled by Jill C Halliday, BSc

Bryan E. Impact of multiple preterm births on the family. *Preterm labour symposium* 648
Bubbear J and **Keen R.** Clinical management and algorithms in osteoporosis. *Osteoporosis symposium* 512
